After three regattas – Lea, Bedford and Cambridge Sprint - Lea Rowing Club lead the Regional Regatta League with 27 points 9 ahead of second placed Bedford Modern School who were the most successful at Bedford Regatta, pipping local rivals Bedford School by just two races.

A good showing by Norwich at Lea Regatta means they are in 4th place followed by Champion of the Thames from Cambridge who won ten races in Cambridge Sprint last weekend.

City of Cambridge are next 11/2 points behind 'Champs – their half point being earned in a joint crew with St Mary's School when they reached the final of women's novice eights.

Cantabrigian head Division 2, just one point ahead of both Cambridge '99 and the Perse School who both won 3 races at Cambridge Sprint. Chesterton, formerly known as Simoco and before that Pye, share 3rd place with Bedford and Deben.
